

What Tenants Want... A Panel Discussion

With panellists Rod Winters, Bell Aliant, Andrew Deacon, EcoPilot Canada & Mike Johnston, REDspace

What are prospective tenants looking for in a new space? What specific requirements do different sectors have? All our panelists have all recently moved or are looking for new space in HRM - find out what motivates them and how their business models affect their decisions. This is a must for building managers, but also useful for all kinds of businesses as they plan their future space requirements.
